

America

The Light of the World

Written, performed and recorded by Frosty Lawson.

This song is dedicated to the heroes and victims of the World Trade Center tragedy of September 11, 2001 and was inspired by the drawing above done by his 12-year old daughter, Morgan.

This song is also dedicated to the brave men and women of our armed forces who are risking their lives everyday so that we may enjoy our freedoms here at home!

We hope you enjoy this song and Thank You for your support.

God Bless America
